## How can we help you?

Affinity Financial Awareness is the 58<sup>th</sup> (2012) largest **independent** financial adviser in the UK and has been appointed by the NHS Retirement Fellowship to provide advice and guidance to its members. Additionally we support the Fellowship by recruiting new members for its branches.

We work with major employers to bring financial awareness and advice to their serving and former employees through workplace courses, and individual consultations. This includes the NHS, local authorities, civil service, police, fire, ambulance, and those in the education sector.

We offer individual consultations and advice, **free of charge** and without obligation through our team of advisers who can provide locally based consultations. For further information about this offer and our other services please click the options below:
