NHS Retirement Fellowship Appointment of Staff

All staff are accountable to the CEO.

Current practice is that:

- for Development Officer posts the appointing panel comprises a Regional Representative, a trustee and the Chief Executive.
- for Central Office the interviewing panel consists of two trustees and the CEO.
- for the Chief Executive post the appointment committee would be three trustees including the Chair and Vice Chair.

The current arrangement was approved by the Remuneration Committee on 05.12.19.

It was agreed that the appointment committee for the Chief Executive post should incorporate a stakeholder event to involve interested parties within the Fellowship.

Staff appointments are advertised online and the Chief Executive post in the HSJ.

Adopted by Remuneration Committee: 05.12.18

Approved by Chief Executive : 01.10.19

Added to NHSRF website: 01.10.19
