

Coronavirus update

Steps continue to be taken to address the threat from coronavirus, as cases on continental Europe are reported to be increasing. So far over 7,000 people in the UK have been tested for the virus, with more than 99% being found negative.

Advice has been issued for people who have recently returned from travelling overseas.

If you have returned from these specific areas since February 19, you should call NHS 111 and stay indoors and avoid contact with other people even if you do not have symptoms:

- Iran
- Specific lockdown areas in Northern Italy as designated by the Government of Italy
- Special care zones in South Korea as designated by the Government of the Republic of South Korea
- Hubei province (returned in the past 14 days).

If you have returned from these areas since February 19th and develop symptoms, however mild, you should stay indoors at home and avoid contact with other people immediately and call NHS 111:

- Northern Italy (defined by a line above, and not including, Pisa, Florence and Rimini),
- Vietnam
- Cambodia
- Laos

- Myanmar

If you have a cough, or fever or shortness of breath and have visited any of the following areas in the last 14 days, stay indoors and call NHS 111 informing them of your recent travel to the city.

- China
- Thailand
- Japan
- Republic of Korea
- Hong Kong
- Taiwan
- Singapore
- Malaysia
- Macau.
