Our speakers are always booked many months in

advance and on occasions, are unable to attend on the date shown. Therefore the programme is provisional but where a speaker indicates that they are unable to attend at the last minute, for

whatever reason, the

Programme Secretaries will endeavour to find a

replacement!

Volunteers for coffee duties at meetings and for preparing the hall are always welcome!

We would also welcome any member who feels that they might like to join our committee.

Suggestions for day trips,

theatre trips or speakers are also warmly welcomed
